

Biography of Heinz Janzen

Heinz was born and raised in Vancouver, completed High school in Merritt BC and moved back to Vancouver for training as a Heavy Duty Technician in the latter half of the 1980's. Heinz and Tamara met and fell in love in the small town of Merritt and have been married since 1988. After the birth of their first child they moved to Alberta in 1989 to pursue careers, raise a family and to serve the church when and wherever possible. Spending time with his wife Tamara, his two adult children and granddaughter are on the top of his list of things that bring joy. His hobby in car restoration brings satisfaction on days off from the everyday life of ministry.

Heinz sensed the call into ministry in the mid to late 1990's after serving the local church as a licensed Lay minister for several years. He then entered Taylor Seminary in Edmonton AB in 2003 to complete the M.Div. in Pastoral Leadership degree. He has served churches in both full and interim capacities as lead Pastor and as well as a volunteer in para-church organizations. He has served at the Mustard Seed Church as a floor level counselor and Transport for Christ as a volunteer Chaplain to the trucking industry. In October 2016 God led Heinz and Tamara to New Life Community church as lead Pastor.
